★ About the Software

This is a doujin visual novel set in the world of the Hong Kong underworld, a tribute to the Hong Kong neo-noir genre. It's the first installment in the series. The story is set in 2014, Hong Kong. A female ex-assassin, whose triad leader husband has been attacked, forms a team with trusted allies to seek revenge against the ruthless perpetrators. It's a hard-boiled tale filled with deep love and homage to classic Hong Kong noir films, promising a deeply moving experience.

◆ How to Install

Please extract the zip file to a location of your choice.

◆ How to Launch

Double-click the RedSpider_Remastered.exe file inside the folder.

◆ How to Uninstall

You can uninstall the game by simply deleting the game folder.

◆ How to Play

Click on the screen to advance the story.

In the top-right corner of the screen, you can click on the spider icon to access features like save and load. You can also use the "Flowchart" function to jump directly to parts of the story you've already completed.

◆ Disclaimer

The creator is not responsible for any damages resulting from the use of this software.

■ About the Development Circle

studio wasp is an indie circle that self-produces original doujin visual novels. We primarily focus on creating works with a Hong Kong neo-noir or Korean neo-violence world view.

Official Website: <https://www.rpgdl.org/wasp/>

■ About the Music

Three songs were composed by Yasunori Mitsuda (from the Chrono Trigger series).

Red Spider Title: "Red Spider Lily"

Red Spider Main Theme: "Vengeance"

Red Spider Ending: "Retribution"

Other tracks were composed by Yasunori Mitsuda and arranged using SUNO.

The copyrights for each song belong to the composer. Redistribution of the music used in the game is prohibited.

■ About the Sound Effects

Some sound effects are provided by On-Jin ~音人~ and pixabay. Unauthorized use and secondary distribution of these sound effects are prohibited.

■ Other

We are seeking your support for this game! If you share your reviews or impressions, please contact us through the in-game or official website's survey form:
